GCCSA Provides Immediate Relief from Winter Storm Uri

In its commitment to doing its part in alleviating the pains of disasters affecting Harris County communities, Gulf Coast Community Services Association, Inc. (GCCSA) provided \$56,225 in emergency relief assistance to households adversely impacted by February's Winter Storm Uri.

One hundred seventy-three households were awarded gift cards in the amount of \$325 for Wal-Mart, so that they may start the process of

replacing items lost or destroyed from the historic freeze. These families live in Harris County, have median household incomes within [200% of the federal poverty line](#) (think a family of 4 with a total income of \$53,000 or less), and have children enrolled in Head Start or Early Head Start Programs.

Head Start & Early Head Start families who suffered water and/or roof damage, a loss of power

and/or water, loss of food and supplies, and missed needed work hours were invited to apply to the GCCSA, Inc. Winter Storm Uri Relief Assistance Program in late March 2021. Of the 183 applications received, all but ten (10) were deemed eligible. Five were over-income and 5 were duplicate entries. parents with technology that allows them to search for work, is key to decreasing the stress of this pandemic.”

From the start of the outreach window to the approval and release date (only 23 days!), GCCSA was able to put 173 gift cards in the hands of all families in a single day, providing the release of much stress that was experienced by so many.

While the Agency has seen a sharp increase in demand over the past year since the start of the pandemic, GCCSA continues to provide unique relief opportunities that meet each moment of crisis affecting the
