<b>Questions:</b>	Page #	Section #
Regarding the Section about <b>Recruitment Interviews</b> , our firm has a local presence in Houston, however, we went remote during the pandemic and still work from home so we perform video interviews instead of in-person. Is this an acceptable alternative?	5	8
On page five under 8g it mentions all recruitment interviews shall be done in person by the Contractor - is this an absolute requirement?  As we are a nationwide firm, we have representation across Texas but nobody physically in Houston. We typically do video interviews.	5	8 g
